Our "GIN" Collection

Hendricks 41.4% ABV

4.4

Girvan, Scotland.

Hendrick's is an unusual gin created from eleven fine botanicals. The curious, yet marvellous, infusions of rose & cucumber imbue our spirit with its uniquely balanced flavour resulting in an unimpeachably smooth and distinct gin.

Lakes Gin 46% ABV

4.8

Dubwath, England.

A gin which is made with botanicals including juniper, black pepper and orange peel. The botanicals are steeped overnight before the spirit is blended with water from the Lake District National Park. It's bottled at 46% ABV, presented in this rather ornate glass bottle, engraved with the distillery's logo. A peppery, citrus burst that does very well garnished with a ribbon of orange peel.

Botanist Gin 46% ABV

5

Bruichladdich, Scotland.

Created at the Bruichladdich distillery, this superb Islay gin was distilled in the 'ugly betty' still described as "an oversized upside-down dustbin made of copper"

Bombay Sapphire 40% ABV

3.5

Whitchurch, England.

One of the best known and most delicately perfumed gins in the world, Bombay Sapphire makes an excellent Martini, and is great as a base for a Gin and Tonic.

Chase Pink Grapefruit and Pomelo 40% ABV

6.1

Hereford, UK.

Grapefruit is wonderful. Pomelo is also wonderful. The distillers behind Chase have astutely figured out that combining these two ingredients within a gin would make a supremely delicious summer tittle - and then just went and did it! As you might expect, this will make for a brilliant G&T...

Lakes Elderflower Liqueur 25% ABV

4.7

Dubwath, England.

Elderflower extract is blended with the award-winning Lakes Gin to form this lively, floral twist on a traditional gin. Distilled 6 miles from Keswick, in the heart of the Lake District.

Lakes Sole Gin Liqueur 25% ABV

4.7

Dubwath, England.

The Lakes Distillery combined sloes with 15 carefully selected botanicals, six of which native to the Lake District National Park, in a traditional, handmade copper pot still named Chemmy to create this sloe gin liqueur.

Monkey 47 47% ABV

7.5

Loßburg, Germany.

An unusual gin from the Black Forest in Germany, Monkey 47 contains a unique ingredient. No, not that! Lingonberries! The 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%.

Bathtub Gin 43.3% ABV

4.85

Kent, England.

An extraordinary award-winning gin from Ableforth's. Made using the traditional method of Cold Compounding. Very high quality copper pot-still spirit is infused with ingredients including juniper, orange peel, coriander, cassia, cloves and cardamom, with the length of the compounding period controlled entirely by periodic sampling.

Cotswolds Gin 46% ABV

4

Stourton, England.

Cotswolds Dry Gin is made with juniper, coriander and angelica root macerated in pure wheat spirit for 24 hours. Following this, a botanical selection including bay leaf, grapefruit, lime, black pepper, cardamom seed and Cotswolds lavender are added to their carter head still for distillation. To bring it down to bottling strength, a robust 46% ABV, they use naturally refined Cotswolds water.

- Hayman's Old Tom 41.4% ABV 3.15
London, England.
Taking inspiration from the popular style of gin consumed in the 18th Century, the folks behind Hayman's have created their own Old Tom Gin! Subtly sweet, though maintains a herbaceous quality throughout.
- Whitley Neill Violet Gin 43% ABV 4.75
Warrington, England
The deliciousness of violet continues to wow gin producers and gin lovers everywhere, and Whitley Neill is getting in on the fun with its very own Parma Violet Gin! Hugely perfumed with balancing sweet notes and spicy elements, this stuff is sure to make some brilliant floral twists on classic cocktails.
- Whitley Neill Blood Orange Gin 43% ABV 4.75
Warrington, England
A blood orange-themed variation of the Whitley Neill Gin recipe! Featuring a generous helping of Sicilian blood orange at its core, this one will really stand out in cocktails and mixed drinks.
- Whitley Neill Rhubarb & Ginger Gin 43% ABV 4.75
Warrington, England
While the original Whitley Neill Gin is inspired by the exotic flavours of Africa, their Rhubarb & Ginger Gin variation takes inspiration from closer to the Whitley family's homestead.
- Masons Dry Yorkshire Gin 42% ABV 4.9
Leeming Bar, England.
A London Dry Gin from God's Own County! Masons use Harrogate spring water for their gins along with juniper, a proportion of which is from their own bushes, and a combination of secret botanicals including citrus.
- Sipsmiths Lemon Drizzle Gin 40.4% ABV 5.25
London, England.
Inspired by the citrus gins from the early 1900's, Sipsmith take their classic London Dry Gin and layer on sweet sundried lemon peel, lemon verbena and vapour-infused

fresh lemons. Top with tonic for a refreshingly light and bright G&T

Tanqueray 10 47.3% ABV

4.2

Leven, Scotland.

Introduced in 2000, Tanqueray No. Ten is named after the still of its origin, pot still number 10, which is quite endearingly nicknamed Tiny Ten. The small batch gin is crafted using whole fresh citrus fruits, such as oranges, limes and grapefruit, along with chamomile flowers and other traditional botanicals. Expect a burst of citrus with every sip. Quite notably, it is also the only gin to secure a spot in the San Francisco World Spirits Competition Hall of Fame.
