ADVENTURES & EXPERIENCES

A Live for Today adventure will be a memorable, fun and enjoyable experience.

Combining traditional activities:

- Abseiling
- Rock climbing
- Caving
- Mountain walking
- Ghyll scrambling
- Mountain biking
- Canoeing
- Kayaking
- Raft Building

with a conference or training event can have a positive real learning outcome. Real activities with real risks and consequences provide a focus for any learning programme.

Activities can be delivered at any suitable location nationwide.

All of our team are dedicated outdoor professionals, with many years of experience and Nationally recognised qualifications in their chosen activities

Creating a bespoke event for your team. We design and deliver events and challenges with a range of activities and outcomes to fit your needs at any venue.

For example; First Branch on the Moon, a theme set in the future which combines QR code clues with indoor and/or outdoor challenges to suit all abilities. The aim of the exercise is to establish the day you will open a business on the Moon.

Other themes include; Journeys with a purpose, Bomb Disposal & Murder Mysteries.

We provide fun, interactive and rewarding experiences which promote development in individuals, teams and organisations.
