

Welcome to Alexander's

FOOD

We place a strong emphasis on locally sourced produce with something to tempt all palates - a combination of traditional favourites and our daily specials menu.

If you would like something simpler or different to the menu selections, please ask a member of the team. If you have any concerns about allergens in our dishes please ask to see our allergen menu. Whilst we endeavour to ensure that our food is free from the allergens listed, we cannot 100% guarantee their absence due to their use in our kitchens

DRINK

We offer a variety of local real ales from the bar. If you really can't decide we offer a tasting of three for just £3.75 and you can even purchase some bottles to take home.

We also have a fine selection of local gins - see the blackboard for more details.
