

Baby Showers at the Castle Green Hotel

A Baby Shower is an exciting time for everyone and we want your celebration to be perfect. Here at the Castle Green Hotel, we will use our experience and attention to detail to ensure everything is organised just the way you want it to celebrate the upcoming arrival.

Our two distinctive function rooms, decorated in a contemporary style, can accommodate 25+ guests and are the perfect venue to host your special occasion. The Kendal Suite is the smaller of our two rooms and has a large adjoining foyer, main room with private bar and large terrace with views overlooking Kendal Town, Castle and out towards the Kentmere Fells. Our larger room, The Function Suite, has an entrance foyer, main room with two private bars, large dance floor and champagne balcony overlooking our beautiful landscaped gardens.

We have composed three Baby Shower Packages that all include:
